Sparkling Hill Resort - a place like no other with unparalleled beauty and magnificence - a place to rejuvenate, revitalize and renew. Nestled into a granite rock face on a ridge with sweeping Okanagan lake and mountain views is a most remarkable hotel and wellness centre with European-inspired design elegance. Guests are at once captured by grandness and brilliance with award-winning architecture and magnificent crystal chandeliers spanning three floors.

The first resort in North America to incorporate Swarovski crystal elements into every aspect of its design (3.5M crystals, value \$10M). Guest rooms bask in light and luxury with floor to ceiling glass, and sliding window wall letting fresh air and nature saturate the room.

KurSpa is a whole body, mind and soul experience - a 40,000 sq. ft. spa oasis where guests explore a better level of health. From walking the private hiking trails to dining on organic choices, to experiencing 7 unique aromatherapy steam and sauna rooms, and access to over 100 therapies and treatments. KurSpa's signature treatment and the first in North America is the Cryotherapy Cold Sauna (-110C/-166F)!
